I. IRRELEVANT: *R/N-Card as*

SOURCE was of average intelligence, cooperative and friendly. His answers were clear and concise and it is felt that he was truthful. Whenever he had doubts as to the correctness of his information he admitted it.

During his employment in the VEB Steel and Rolling Mill in THALE (5145N-1103E) from Sep 55 to Nov 56, SOURCE met subject persons whom he suspected to cooperate with the SED.

II. PERSONALITIES:

1. *Statt* STATT, Karl, estimated DOB: 1915, height: 176 cm, stout, hair: blond, married, one child; address ROHSTEDT (approximate coordinates 5145N-1105E). The father of this man was the chief of the plant police. SOURCE suspected this man to cooperate with the SED = STAATS-SICHERHEITS-DIENST (State Security Police) since a fellow worker who had had an argument with this man was arrested by the police a short time afterwards and SOURCE heard from the wife of the arrested man that he had disappeared and that she did not know where he was.

2. *Heidel* RUDEL, Karl, estimated DOB: 1907, height: 178 cm, weight: 80 kg, hair: blond, eyes: gray-blue; address THALE, BOGEN Street # 1. This man was SOURCE's father-in-law and the first secretary of the Communist Party group of the plant. He was an ardent Communist hating everybody who was non-Communist, even his son-in-law.
